

Esoteric Papers Library

Now available on Sufi Ruhaniat International Website

Basira Beardsworth, the Ruhaniat Secretary, has recently compiled an extensive, new **Esoteric Papers Library** on the SRI Website. Everything we need for our journey on the Sufi path and much more can be found within these writings, which together form our essential lineage teachings and practices.

The new section of the website provides access to the works of Pir-O-Murshid Hazrat Inayat Khan, Murshid Samuel Lewis and Nyogen Senzaki.

Grateful thanks to Basira for all her work on this. This development is a really helpful and useful complement for accessing the major papers and commentaries on the Murshid Samuel Lewis Archive. Especially as all papers are in high quality PDF format and can be easily downloaded.

On SRI Website www.ruhaniat.org go to **Resources** in Menu Bar at top.
